

0585-1. God's Holy Mother

(Boga Rodzico)

English Text and Accom. by Sr. Mary Evelyn Rybicki, CSSF

O pur-est Vir - gin, God's ho - ly Moth - er, To you I
 raise my heart and mind. Be my dear Guar - dian,
 O sweet-est Moth - er, Stay al - ways near me, gen - tle and kind.
 Ref. Take me, dear Ma - ry, un - der your pro - tec - tion,
 Be to me a Moth - er, show me your af - fec - tion!

Under your mantle I seek safe shelter,
 Mother of mercy I need you.

To have you, Mary for a loving Mother
 Brings me great comfort and joy, too!

Take me, dear Mary...

Obtain true sorrow and deep contrition
 For my sins, failings of the past;
 May I arise, then, from each transgression
 And from all faults be cleansed at last.

Take me, dear Mary...

Please bless my efforts to strive for virtue,
 Make my desires firm and strong.

O make my weak heart grow in God's love
 To do God's will all life long!

Take me, dear Mary...
