

0609. Mother of our Savior

(Matko Odkupiciela)

English Text and Accompaniment by Sr. Mary Evelyn Rybicki, CSSF

1. Moth-er of our Sav-ior, ho-li-est of wom-en,
 2. We im-plore you, O Mar-y, lift your sin-ful peo-ple
 3. Vir-gin be-fore and af-ter, Mar-vel of all a-ges,

You are the straight-est path-way lead-ing all to heav-en.
 Strug-gling still with temp-ta-tion; our strength is not am-ple.
 God had sent His Arch-an-gel to tell His ho-ly mes-sage.

You give us saf-est pas-sage to e-ter-nal por-tals,
 You gave birth to our Sav-ior with-out pain or la-bor;
 In-ter-cede for us sin-ners; be our lov-ing Moth-er;

Mar-y sweet-est Moth-er, bright-est Hope of mor-tals!
 You a-lone were found wor-thy to nurse our Cre-a-tor!
 Keep us safe from all dan-ger; guide us to our Fa-ther!
