2. We shall follow, singing our song, * Bringing homage, gifts of prayer.
 Little Savior, bless this large throng. * Watch us with loving care.
*Hurry, children, see Him sleeping, * Holy parents watch are keeping,
 So let us all adore Him.*
3. May the whole world ring with gladness. * At the tidings of His birth.
 Truth and light dispel the sadness, * Joy rings out, songs fill the earth.
*Hurry, praise the Child before us, * Join the Cherubim's glad chorus,
 Glorify our God on high.*
